

**IBRA** International Bone  
Research Association

## Course Content

**IBRA Master Course**  
with pre-fractured specimen

# From Strategy to Fixation: Masterclass in Elbow & Shoulder Fractures

Challenging case discussions and  
wet-lab training on pre-fractured specimens

**November 12 – 13, 2026**  
**Basel, Switzerland**

Chairpersons:  
Dr. Andrew Greenberg, New York, USA  
Mr Andrew Wright, Wrightington, UK

# General Information

## Target audience

Recommended for senior surgeons and department heads.

## Main specialty of the event

An interactive seminar and hands- on workshop, addressing trauma and reconstruction with representative cases and discussions. Latest innovations and trends are presented both in theoretical discussions and surgical demonstrations. Practical exercises are designed as close as possible to realities in the operating room (pre-operative discussion of the case, use of pre-fractured or deformed specimen).

## Expected educational outcomes

Broadening of spectrum of good practices and their dissemination, Aware of new/improved techniques and methodologies to diagnose, treat and follow-up patients.

## Organized by

IBRA - International Bone Research Association, Basel, Switzerland

## Registration Fees

|                            | Elbow & Shoulder | Elbow   | Shoulder |
|----------------------------|------------------|---------|----------|
| IBRA Full Member           | EUR 900          | EUR 480 | EUR 480  |
| Non- / Basic Member (IBRA) | EUR 1800         | EUR 960 | EUR 960  |

## Registration & Information

IBRA Administration Office  
Hochbergerstrasse 60E, CH-4057 Basel

## Faculty

### Chairpersons

Dr. Andrew Greenberg  
New York, USA

Mr Andrew Wright  
Wrightington, UK

### Faculty

(in alphabetical order)

Dr. Jeevaka Amaranath, Sydney, AUS

Dr. Andrew Greenberg, New York, USA

Prof. Dr. Michael Hackl, Mannheim, DE

Prof. Dr. Amal Khoury, Tel Aviv, Israel

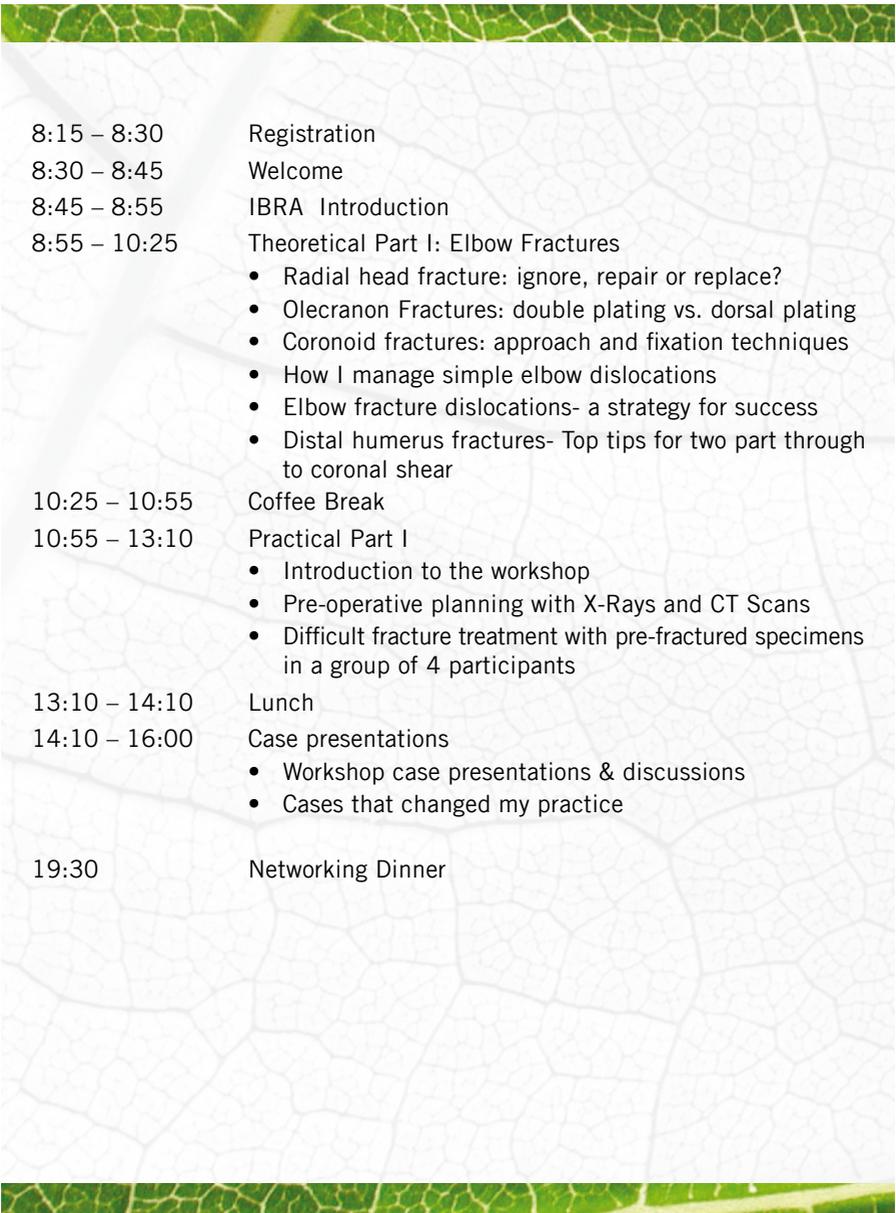

Mr Abbas Rashid, London, UK

Dr. Jules-Niklaus Rippke, Basel, CH

Dr. Anna van der Windt, Rotterdam, NL

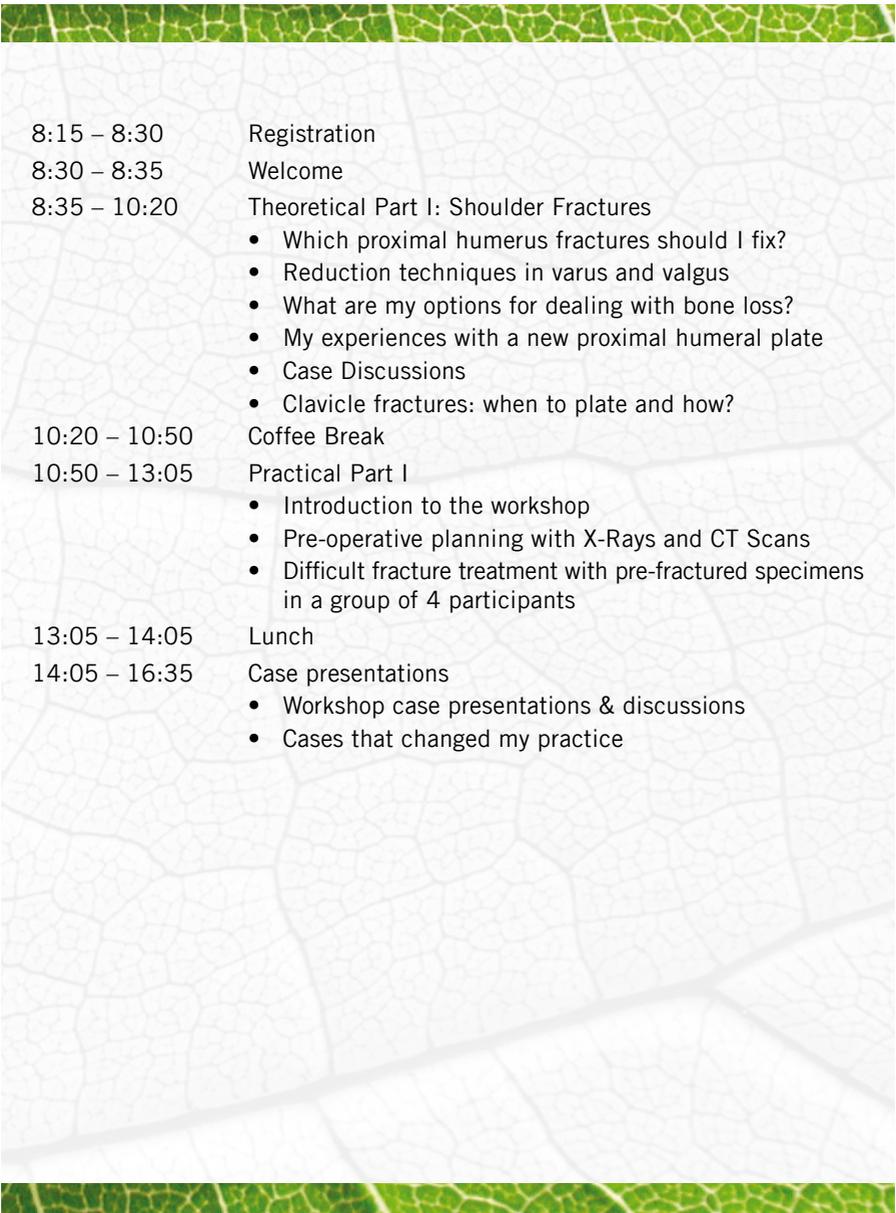

Mr Andrew Wright, Wrightington, UK

## Thursday – November 12, 2026

|               |  |
|---------------|--|
| 8:15 – 8:30   | Registration   |
| 8:30 – 8:45   | Welcome  |
| 8:45 – 8:55   | IBRA Introduction  |
| 8:55 – 10:25  | Theoretical Part I: Elbow Fractures <ul style="list-style-type: none"><li>• Radial head fracture: ignore, repair or replace?</li><li>• Olecranon Fractures: double plating vs. dorsal plating</li><li>• Coronoid fractures: approach and fixation techniques</li><li>• How I manage simple elbow dislocations</li><li>• Elbow fracture dislocations- a strategy for success</li><li>• Distal humerus fractures- Top tips for two part through to coronal shear</li></ul> |
| 10:25 – 10:55 | Coffee Break   |
| 10:55 – 13:10 | Practical Part I <ul style="list-style-type: none"><li>• Introduction to the workshop</li><li>• Pre-operative planning with X-Rays and CT Scans</li><li>• Difficult fracture treatment with pre-fractured specimens in a group of 4 participants</li></ul>   |
| 13:10 – 14:10 | Lunch  |
| 14:10 – 16:00 | Case presentations <ul style="list-style-type: none"><li>• Workshop case presentations &amp; discussions</li><li>• Cases that changed my practice</li></ul>  |
| 19:30         | Networking Dinner  |

## Friday – November 13, 2026

|               |   |
|---------------|---|
| 8:15 – 8:30   | Registration  |
| 8:30 – 8:35   | Welcome   |
| 8:35 – 10:20  | Theoretical Part I: Shoulder Fractures <ul style="list-style-type: none"><li>• Which proximal humerus fractures should I fix?</li><li>• Reduction techniques in varus and valgus</li><li>• What are my options for dealing with bone loss?</li><li>• My experiences with a new proximal humeral plate</li><li>• Case Discussions</li><li>• Clavicle fractures: when to plate and how?</li></ul> |
| 10:20 – 10:50 | Coffee Break  |
| 10:50 – 13:05 | Practical Part I <ul style="list-style-type: none"><li>• Introduction to the workshop</li><li>• Pre-operative planning with X-Rays and CT Scans</li><li>• Difficult fracture treatment with pre-fractured specimens in a group of 4 participants</li></ul>  |
| 13:05 – 14:05 | Lunch   |
| 14:05 – 16:35 | Case presentations <ul style="list-style-type: none"><li>• Workshop case presentations &amp; discussions</li><li>• Cases that changed my practice</li></ul>   |

## **IBRA – a unique international network in research and continuing education**

Our aim is to promote the exchange of professional knowledge, provide highly specialized medical training and encourage research as well as new scientific developments.

### **Core activities**

- Global grid of IBRA Training Centers
- Courses, workshops and webinars
- International scholarship program
- Research grants

---

## **IBRA Membership – Your future is in your hands!**

Take advantage of our innovative hands-on training courses and connect with like-minded experts worldwide.

### **Membership**

#### **IBRA Basic Membership**

The gateway to the IBRA affiliation

- Worldwide networking (Members and Training Centers)
- Regular updates on events
- Access to our database of materials and recorded webinars
- Free of charge

#### **IBRA Full Membership**

Shaping our organization in various functions

All Basic Membership benefits plus:

- Prioritized access to IBRA research grants and scholarships
- Considerably reduced course fees (50%)
- Voting rights at the General Assembly
- Development opportunities within IBRA (e.g. speaker, course chair, Training Center)

Research Association

# IBRA Virtual Campus

Flexible, self-paced learning for busy healthcare professionals

## The IBRA Virtual Campus features:

- ✓ Recorded webinars
- ✓ Online courses
- ✓ Instructional videos
- ✓ Scientific articles
- ✓ Case discussions

Virtual Campus

All IBRA Members enjoy access to the Virtual Campus through the member area.

*Not part of our affiliation yet?*

**Join us today and take advantage of the benefits  
of the IBRA Basic Membership:**

- Worldwide networking
- Regular updates on events
- Access to the Virtual Campus
- Free of charge
