

Advanced Shoulder Arthroscopy

Complex Shoulder Cases

27th March 2025 | 08:15 – 16:15

Johnson & Johnson AG
Luzernstrasse 21
4528 Zuchwil

Course Overview

This advanced course for experienced shoulder surgeons combines a comprehensive blend of hands-on training in tendon transfers alongside theoretical sessions. Participants will explore the latest advancements in DYNA-Technology and techniques for AC- and CC-Joint Reconstruction. Engaging discussions with renowned faculty provide valuable insights into complex cases, enhancing surgical decision-making and practical application.

Target Group

This course is designed for experienced shoulder surgeons who seek to refine their skills and expand their knowledge of advanced techniques and technologies.

Learning Objectives

- Master advanced techniques in tendon transfers.
- Understand DYNA-Technology and its applications in AC- and CC-Joint Reconstruction or triceps tenodesis.
- Improve decision-making through case discussions with expert faculty.

08:15 – 08:45

08:45 – 09:15

09:15 – 09:30

09:30 – 12:00

12:00 – 13:00

13:00 – 13:15

13:15 – 13:30

13:30 – 14:45

14:45 – 15:00

15:00 – 16:00

16:00 – 16:15

16:15

This course has been accredited with:

- XX SO points
- XX SGC points

Registration, Coffee & Welcome

Irreparable Rotator Cuff Repairs

Thibault Lafosse (TL), David Haeni (DH)

- Latissimus Dorsi Transfer (TL)
- Lower Trapezius Transfer (DH)
- Discussion: Which technique for which indication?

Transition to Wetlab

Wetlab Session 1: Tendon Transfers

Thibault Lafosse, David Haeni

Lunch – Symposium and Case Discussion

Thibault Lafosse, David Haeni, Torsten Pastor

- LBS-Tenotomy vs. Tenodesis
- Biceps Tendodesis & Triceps Refixation
My Philosophy: How I Do It and Why?
- Case Discussions: Participants are encouraged to bring their own cases on a USB stick.

AC- and CC-Joint Reconstruction

Thibault Lafosse

- My Philosophy

David Haeni

- My Technique: Button Plate

Torsten Pastor

- DYNA-Technology and Its Practical Applications

Transition to Wetlab

Wetlab Session 2: AC- and CC-Joint Reconstruction

Thibault Lafosse, David Haeni, Torsten Pastor

Coffee Break & Improving Efficiency in Open Shoulder Surgery

Wetlab Session 3: Open Anatomy Session
