

Case Discussions in Shoulder Arthroplasty

3rd Shoulder Forum

Tuesday, 11th November 2025
17:15 - 21:00

**Johnson & Johnson Institute
Auditorium
Luzernstrasse 21
4528 Zuchwil**

Course Overview

We are delighted to announce that Dr. Mörner will join us in Zuchwil in person for the first time in our “Shoulder Forum Series”, following two virtual guest appearances. He will be joined by our esteemed faculty, Dr. Sukthankar and Dr. Gütler, along with Prof. Achermann, an infection expert. This event offers a fantastic opportunity for participants to present their clinical cases to a group of shoulder specialists and engage in meaningful discussions in a supportive and open atmosphere. The forum will also feature brief presentations from the faculty.

Participants' Profile

This shoulder forum is intended for all orthopedic and trauma surgeons, regardless of their level of experience, who wish to deepen and expand their knowledge of shoulder arthroplasty.

Learning Objectives

- Improve decision making and diagnosis of complex shoulder and infection cases.
- Engage in collaborative discussions with shoulder and infection experts.
