

Outpatient Tariff System in Focus
(TARDOC & ambulante Pauschalen)

Foot Surgery Roundtable

12th June 2025 | 17:30 – 21:00

Johnson & Johnson AG
Luzernstrasse 21
4528 Zuchwil

Course Overview

In this roundtable discussion, we will address the challenges surrounding the tariff revision, effective as of January 2026 (TARDOC and flat rates “ambulante Pauschalen”), in a relaxed and informal setting. Our goal is to foster a deeper understanding of the topic among colleagues. Each participant is kindly asked to submit specific questions in advance, which will be addressed according to the current context. We look forward to lively exchanges and stimulating discussions.

Target Group

Foot surgeons who are interested in deepening their understanding of the new outpatient reimbursement system and learning from experts in this field.

Learning Objectives

- Strengthen your knowledge of TARDOC and the flat rates
- Examine changes in documentation and reimbursement of relevant treatments (patient consultations and foot surgery)
- Engage in discussions about the future of ambulatory care and contribute to collaborative dialogues
