

Klinik für Viszeralchirurgie, LUKS Luzern

Procto Day LUKS 2025

Friday, 28th March 2025, 9.00 am – 5.00 pm
Auditorium Luzerner Kantonsspital

Join us for Procto Day LUKS 2025

This year, we are thrilled to welcome leading national and international experts in pelvic floor surgery, anal fistulas, colorectal surgery, gastroenterology, and radiology for an exciting update on the latest treatments for faecal incontinence and complex anal fistulas.

Join us in person or online for this invaluable learning opportunity.

We look forward to seeing you in Lucerne!
